Re: Celebrate 40 Years of Progress for People with Disabilities

Dear Friend,

For forty years Disability Rights Wisconsin has empowered people with disabilities to live life to the fullest. Whether freeing people from abuse and neglect or gaining access to housing, jobs, and a quality education in their home community, Disability Rights Wisconsin has helped more than a quarter of a million people exercise their rights and enjoy their lives.

We hope you or your firm will join us in promoting the tremendous progress people with disabilities have made over the past 40 years. It is our honor to invite you to commemorate this progress by sponsoring:

**Disability Rights Wisconsin’s Ruby Anniversary Gala**

*“There’s No Place Like Home”*

Saturday, October 14, 2017

5:30 p.m. – 9:00 p.m.

at the magnificent *Monona Terrace* in downtown Madison, Wisconsin.

During an evening of art, entertainment, dining, and celebration, we will bring together trailblazers in the disability rights movement, civic leaders, the business community, and – you! With 300+ guests in attendance, this will be an opportunity for your firm to highlight your own contributions.

We have enclosed a list of sponsorship opportunities with this letter for your review. Please let us know how your firm would like to support our Ruby Anniversary celebration.
If you have any questions, or would like more information about this event or sponsorship opportunities, please do not hesitate to contact us directly.
