

If you or someone you know needs help, please call Disability Rights Wisconsin at 800-928-8778

disabilityrights | WISCONSIN

Advocacy services are **free and confidential** to victims and their families.

We provide direct service to individuals with disabilities who experience crime, regardless if it has been reported. We'll work to ensure each eligible person receives the advocacy, services, and support necessary to move forward, find justice, and obtain safety and stability in whatever form the victim/survivor needs.

The Victim Advocacy Program of Disability Rights Wisconsin can help you.

Are you afraid to ask for help?

Do you know someone who is?

that has been a victim of a crime?

Are you a person with a disability

Are you a person with a disability that has been a victim of a crime?
