April 2, 2018

Dear Invitee,

A County Coordinated Public Transit-Human Services Transportation Plan is a five year plan dedicated to sharing resources both intra- and inter-county to assist the transportation disadvantaged public in getting rides based on their individual mobility needs. This plan is developed through a process that includes representatives of public, private, and non-profit transportation and human services providers and participation by members of the public.

Coordination plans are required for Federal Section 5310 and State 85.21 Enhanced Mobility of Seniors and Individuals with Disabilities funding. The meeting will include a review of the current plan goals as well as time to develop and prioritize goals for the new transportation plan.

The Waupaca County Coordinated Public Transit-Human Services Transportation meeting will take place:

Tuesday, April 24, 2018
4:30 PM to 6:30 PM
Waupaca County Courthouse, Room LL42
811 Harding St, Waupaca, WI 54981

Please consider attending and bring your ideas and recommendations with you! If you have any questions regarding this planning process, please contact me at 920.886.6830 or at kerickson@ecwrpc.org.

Sincerely,

Kolin Erickson – Transportation Planner
