

# Your Vote Counts!

Join us for an on-line session on voting!

Wednesday, September 9, 2020

7:00 –8:00 pm

Join us on Zoom and Facebook Live  
for this interactive webinar

Vision loss should not be a barrier to exercising your right to vote. Vision Forward, Wisconsin Disability Vote Coalition, Disability Rights Wisconsin and the Wisconsin Council of the Blind and Visually Impaired are teaming up to make sure people with vision loss are set up to have a successful voting experience this fall. Join us for an interactive webinar covering information on how to vote and your voting rights. We will also address barriers voters have experienced in previous elections and your accessible voting options for the November 3rd election.

Submit your voting questions before the webinar to [info@vision-forward.org](mailto:info@vision-forward.org) and they will be addressed on September 9.

Closed captioning will be available with the Zoom session. If you have disability-related accommodation needs, please email [info@vision-forward.org](mailto:info@vision-forward.org) prior to the event by September 1. If we hear from you after that date, we will do the best to be responsive but cannot guarantee that we will be able to meet your needs.

Register for this Zoom webinar by Friday, September 4 with this link:
